**ADDENDUM #1  
RFP-2018-DCYF-05-TRUST**

On December 12, 2017, the Department of Health and Human Services published a Request for Applications solicit applications from providers that are certified by the Division for Children, Youth and Families to provide Home Based Therapeutic or Individual Service Option services for the provision of Trust-Based Relational Intervention (TBRI®) training to staff in order to improve placement stability in foster care and preserve adoptive placements while creating resiliency and optimal positive outcomes for children.

**Add Section 1.2.2.**

The Department will accept applications from providers through January 2, 2018.
